

Dear fellow Pa. member of BMW ZSCCA;

Joan and I have volunteered to host the 2012 season organizational meeting and Social. Winter is a good time to get our tentative calendar of events started. We need your feedback on the events held last year and input for the events you'd like to see on this year's calendar.

Please plan to attend this important meeting and be part of this exciting 2012 events planning social. Your participation makes our club events successful. Some events already up on club web site. Our meeting is intended to be a fun day, not a work day so come on out and have some fun. Think spring.

Please Bring:

- 1) Your 2012 calendar
- 2) Your ideas for 2012 activities. Simple part day rides near your area or overnight stays all have interest. All have been successful.
- 3) \$5.00 East Pa. ZSCCA Web Site 2011 member fee if you have not yet paid. Bill Harmon will have member forms available (assumes you are a paid-up member of ZSCCA). Please read membership section on web site. <http://www.eastpazscca.org/>.

If there is not enough participation to justify paying \$125.00 to rent the TAS Clubhouse, the meeting will be held at Tony and Joan's home at 3882 Arbours Avenue and the price will be adjusted accordingly. We now have more than 25 members on our roster so member participation plus guests makes 50 people a real possibility.

We hope to see you there, until then happy driving.
